Subject: Freedom of Information Act Request No. 2015-117
Requester Interest

The Department of Homeland Security (DHS) Office of Inspector General (OIG) received a Freedom of Information Act (FOIA) request from you dated March 4, 2015, seeking a copy of report OIG 15-33, "Fiscal Year 2014 Evaluation of DHS' Compliance with Federal Information Security Management Act Requirements for Intelligence Systems." Your request was received in this office on March 4, 2015. Due to a large volume of requests received by this office, your request was placed in the queue to await processing.

As we reach the older requests in our queue for processing, we have found that many requesters are no longer interested in the requested material. To, therefore, allow a more timely response to requests from persons who are still interested in records, we are attempting to identify those individuals who are no longer interested in receiving a response to their request.

Please indicate your continued interest in pursuing these records within 30 calendar days from the date of this letter; please notify us in writing via e-mail. We will assume you are no longer interested in this FOIA request and will administratively close this case if we do not receive your response within 30 calendar days from the date of this letter. Should you have any questions about this response, please contact us at 202-981-6100 or foia.oig@oig.dhs.gov.

Sincerely,

Gina Goldblatt
